

## Family pledge sheet

### Family pledge

Single-use plastic is the biggest cause of ocean plastic pollution. Sky Ocean Rescue and the Premier League are aiming to raise awareness of the environmental issues caused by single-use plastic and inspire Premier League Clubs and fans to reduce their single-use plastic usage. Can you encourage your family to cut down on single-use plastic? Share your story with @PLCommunities using the hashtag #PassOnPlastic and be in with the chance of winning one of five boxes full of books to enjoy as a family.

### Instructions:

Discuss how you can support Sky Ocean Rescue #PassOnPlastic. Agree on a family pledge. Write your pledge on the template, print it and pin it to your fridge so you all remember!

We would love to hear your ideas! Share your family pledge with @PLCommunities using #PassOnPlastic.

### Let's tackle ocean plastic pollution together

#### Premier League and Sky Ocean Rescue #PassOnPlastic Challenge

Our family pledge to help tackle ocean plastic pollution is...
