

## The challenge

# Everyday numbers challenge

Numbers can be found everywhere in football – from match results to player shirt numbers, to the referee blowing the full-time whistle after 90 minutes.

For this week's challenge, we would like you to go on a **number hunt** and write down all of the numbers you see or use in one day using our **Number timeline worksheet**. Feel free to draw pictures or decorate your timeline any way you like. (For older children, please see the higher level Number timeline worksheet.)

Share your timelines with us on Twitter **@PLCommunities** using **#PLPrimaryStars** or email us at **PLPrimaryStars@premierleague.com** for a chance to feature on our website as Star of the Week.

### Example

#### Morning

- Helped Mum to make **2 pieces** of toast for breakfast.
- Played football with my **1 sister**. I **lost 3 - 2**.
- Washed my hands for **20 seconds**.

#### Afternoon

- Posted Grandma a birthday card. She is **60**.
- **Measured out 100g of flour** to make cupcakes with my family.
- Walked the dog and saw lots of **house numbers**.

#### Evening

- Turned to **page 5** in my book and read **3 pages** with Dad.
