

Reading Festival Celebration challenge

The Premier League Primary Stars Reading Festival is all about celebration. We want you to celebrate with us, to mark off the end of the year with a whizz and a bang. So, we are giving you five different worksheets, each written by our authors, which will give you the chance to celebrate in five different ways. You can choose to do one worksheet, two worksheets... three, four or all five!

About the challenge

This challenge is supported by the National Literacy Trust and top authors and poets from the world of sport and football.

Don't miss out...

You can join all of our authors and poets and take part in their workshops in a series of special free Zoom Webinar events taking place at **10:30am** on **12, 13, 14, 15** and **16 July**, with CBBC presenters Kenzie Benali and Ben Shires. It's our Premier League Primary Stars Reading Festival!

At the events, authors will talk about how they celebrate, what they celebrate, how they celebrate and tell us all about their football and writing worlds! Why not join in, ask them and our presenters questions, and ask for shout outs? Sign up for events AND read whole books and excerpts from all of our author friends, absolutely free, on the **National Literacy Trust's Words for Life website.**
