

Challenge 4: Venessa Taylor

My goal celebration

Venessa wants you to describe your favourite goal celebration and we all want to be able to do it! Here are some top tips to help you:

1. Close your eyes and imagine that you have just scored a goal. How would you celebrate? How would you feel?
2. Think of three sentences that explain your celebration and use interesting **verbs** in your sentences. Why not challenge yourself to use an **adverb** to describe your verb?

Here is an example: The ball hit the back of the net, I felt ecstatic! My heart was pounding like a drum as I **sprinted excitedly** to the bright red corner flag that was **waving wildly** in the wind.

3. Now talk to your partner and tell them your three sentences.

Draw a picture that shows the three stages of your celebration. For example, you could show before, during and after!
