Maths Star training: Design a player

Name: _____

Introduction

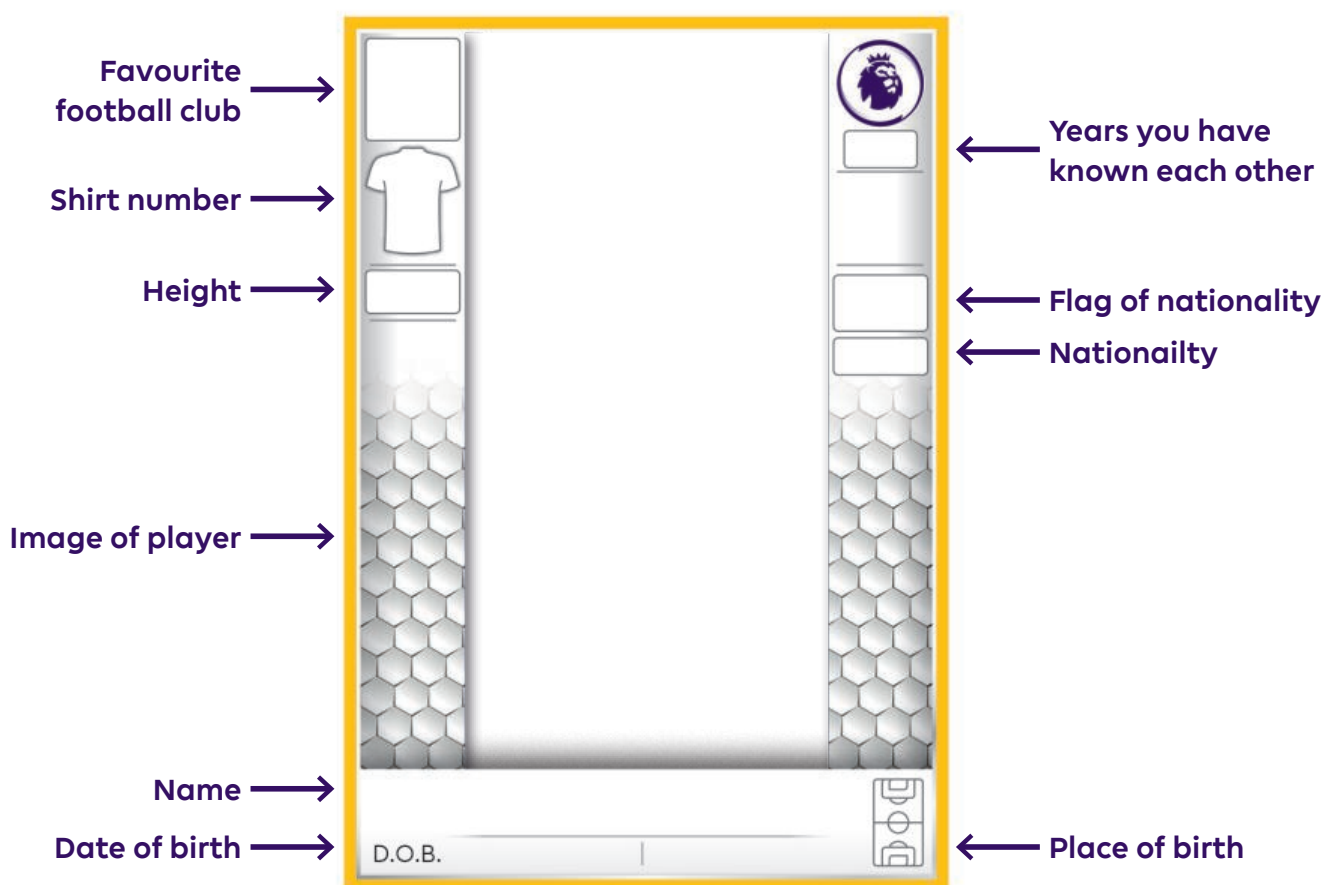

The Premier League would like you to create your own 5-a-side team.

Instructions

Create five player profiles featuring your friends, family or people you admire.

Ask your friends and family for their data so that you can make their profile.

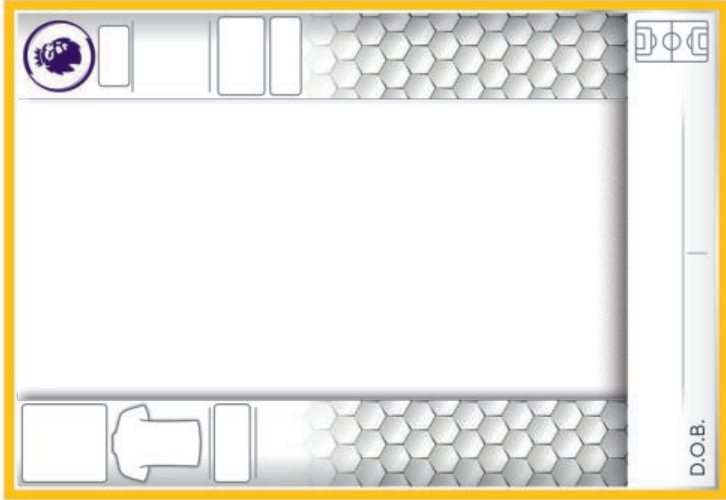

What is their favourite football team? How many years have you known them for?

Activity sheet
Maths Star training: Design a player

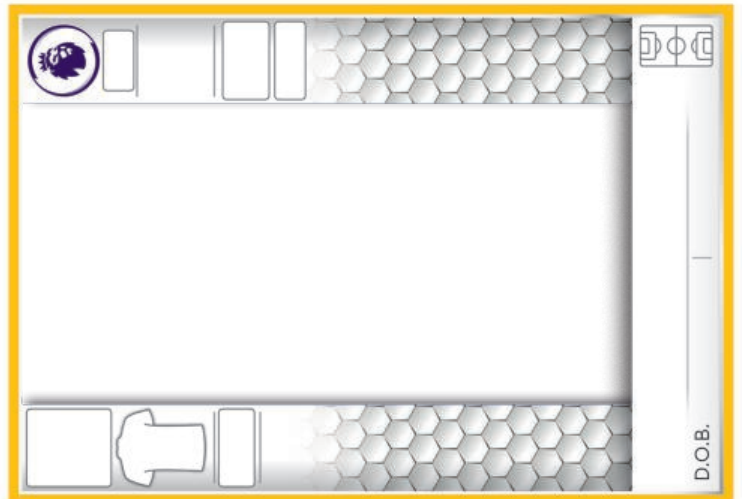

A rectangular player card template with a yellow border. The top header has a Premier League logo on the left, followed by three empty rectangular boxes for a player's name. The background of the card is a grey and white hexagonal pattern. At the bottom, there are three empty rectangular boxes for a player's number, a jersey icon, and a position icon. On the right side, there is a vertical line for a date, with the label "D.O.B." at the bottom. A small icon of a pair of scissors is located at the top right corner of the card.
