

## No Room For Racism poster challenge

The Premier League would like your help in telling people that there is No Room For Racism in football - or anywhere else.

Football players of all backgrounds, ethnicities and nationalities come to compete in the Premier League and it is this diversity that makes it such an exciting competition.

**We would like you to design a poster that illustrates the 'No Room For Racism' message and encourages others to challenge discrimination.**

### Top tips for creating your poster:

1. Think about your message. How do you want people to feel when they see your poster? What do you want them to remember?
2. Remember to feature the No Room For Racism message, and you can also add your own keywords.
3. Consider what colour scheme you will use to make the most impact.
4. You can create your poster using the No Room For Racism template, below.

### Use these keywords to start thinking up ideas:

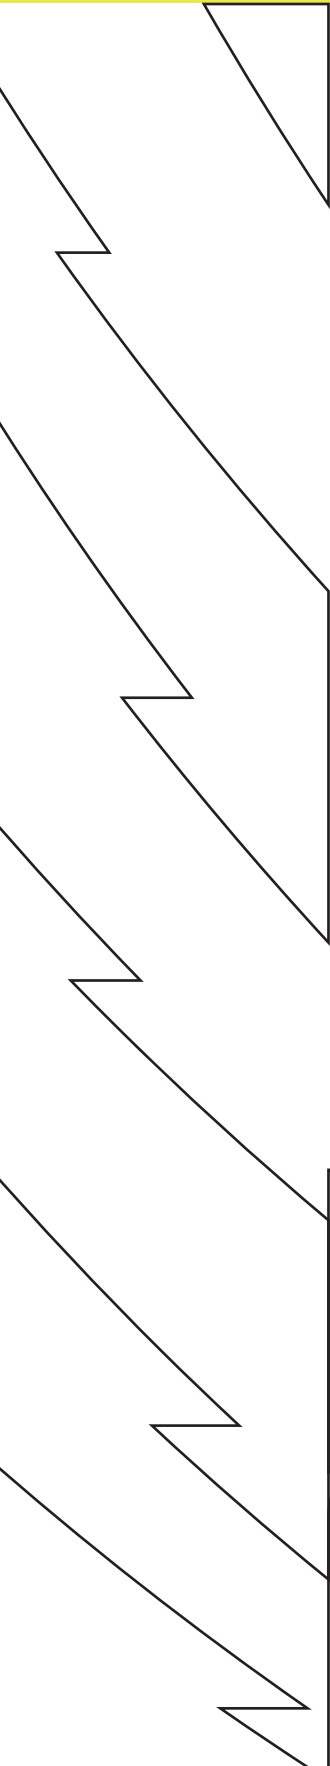

<u>Equality</u>	<u>Diversity</u>	<u>Teamwork</u>	<u>Pride</u>
<u>Identity</u>	<u>Connected</u>	<u>Together</u>	<u>United</u>
<u>Stronger</u>	<u>Society</u>	<u>Friendship</u>	<u>Fair</u>
